25X1 6. [ ] JSW) Talked briefly with Senator Hruska and in greater detail with his Legislative Assistant, Richard Nelson, about S. 1035. Fortunately, Nelson had a CIC background and understood the Agency's problems with this bill. He will discuss the matter in detail with the Senator who is on the Ervin Subcommittee considering the bill. (I learned earlier from Dirksen's office that Senator Hruska did not believe the bill was appropriate for security agencies.)

25X1 7. [ ] JSW) Talked briefly with Martin Swieg in the Speaker's office indicating we were doing what we could on the [ ] case but it did not look as if we had any appropriate opening in the [ ] Mr. Swieg said he hoped we could do something since the Speaker had personally talked to the parents and was personally interested in the case. I said I would be in touch as soon as possible.

25X1 8. [ ] SW) Delivered to Representative George H. Mahon a brief note and run-down on [ ] I explained to him that we thought she was a fine applicant and we would be offering her employment. He was most appreciative of being brought up-to-date on this since he is considering [ ] for his own office.

25X1 9. [ ] JSW) The classified report on Soviet comments concerning Cuba which [ ] left with Mr. Michaels on 30 June (see Journal entry of that date) was destroyed by burning by Mr. Michaels. He advised me today.

25X1 10. [ ] LLM) Miss Ruth Pope, in the office of Senator Ralph Yarborough (D., Texas), called to request a picture of Mr. Helms along with a biography for a constituent. Miss Pope said she would understand if a picture was not readily available, and I said I would send her a copy of Mr. Helms' confirmation hearings.
